Photo and Videotape Use Policy

Mosaic Harmony is active in its outreach to the community and world. As part of our promotional efforts, we routinely use photographs and video clips from our public concerts in press related materials, our Facebook page, and website. We assume that permission is granted for use of photos in which you may appear unless you specifically inform us otherwise. This permission will include future years unless you let us know otherwise. (Please note that because of the communal nature of our performances as a choir, not using photos of you will result in us not being able to use photos of others who may wish to be featured.)

I do NOT give my permission to use photos/videos of me in Mosaic Harmony materials.

Electronic Policy

Mosaic Harmony will frequently provide notification of rehearsals, concerts and other important information via e-mail or other electronic means. By submitting this form, you are agreeing to receive information electronically from Mosaic Harmony instead of notification in person or via printed copy.

I do NOT give my permission to receive notifications electronically.

Notes about yourself for the choir's Members-only directory: Please tell us something about why you participate in Mosaic Harmony, your musical and other interests, your story.
