

"I Am Hope" by Scott MacIntyre

Verse

**When day is swallowed up in night
When you can barely see the light
Look for me
When all your strength of heart is gone
When you are barely holding on
Reach for me
In every time when you're in need**

Chorus

**I am hope
You can find me
On the way to every story's happy ending
You don't know
How to make it through the pain
But you won't give up while you still know my name
I am hope**

Bridge

**Don't ever settle for defeat
Just hold your head up and believe
As long as you are breathing
There is hope**

Chorus

**I am hope
You can find me
On the way to every story's happy ending
You don't know
How to make it through the pain
But you won't give up while you still know my name
I am hope**
